THE SOCCER CAGE FOR OUTDOORS

SoccerGround Cage Antivandal

The SoccerGround Cage Antivandal is a ready-to-play steel system with integrated boards, ball stop and two mini goals, ideal for permanent outdoor installation.

The boards are the original DFB Mini-Pitch boards, 1.6" thick and sound-insulating; the ball stop is made of twin-wire mesh panels. A lockable door protects the cage against unauthorized access.

SoccerGround Cage Mobile: The round steel and aluminum soccer cage with a surrounding ball-stop net and foldable goals, for temporary use and events.
